Master's Programs —International Programs

ประกอบด้วย 8 หลักสูตร

- Young Leaders Program
- One-year Master's Program of Public Policy (MP1)
- Two-year Master's Program of Public Policy (MP2)
- Macroeconomic Policy Program
- Public Finance Program
- Economics, Planning and Public Policy Program
- Disaster Management Policy Program
- Maritime Safety and Security Policy Program

TARGET GROUP (1 YEAR MP)

- The primary target of MP1 consists of mid-career public officials with excellent academic and work credentials, commitment to public service, and with strong managerial and leadership potential.
- A secondary target consists of individuals with the capacity for and commitment to high-quality public policy research.
- Applications are invited from officials and staff of national and local governments, as well as other international and domestic organizations concerned with public policy analysis and management.

PROGRAM DESIGN (1 YEAR PROGRAM)

- The curriculum is made up of an introductory course in policy studies, policy debate seminars and a wide-variety of elective courses.
- Students acquire more specialized knowledge by selecting courses in **one of four concentration areas**: Economic Policy, International Development Studies, International Relations, and Public Policy.
- A wide range of elective courses recommended by each concentration offers students the opportunity to broaden and/or deepen their knowledge.
- Practical courses are offered by government officials with extensive experience in actual policy formulation and implementation.
- This combination of academic and practical knowledge is the hallmark of a GRIPS education.
- **MP1 students produce a policy report in one of the four concentration areas.**
- **The Policy Debate Seminar I** facilitates students' development and exchange of ideas for their policy reports in concentrations of their choice.
- **In the Policy Debate Seminar II**, students finalize their study and write up their policy reports with helps of their supervisor

PROGRAM DESIGN (2 YEAR-PROGRAM)

- The program for MP2 has a similar structure to that of the one year program (MP1), but MP2 students receive more advanced training and guidance in the technical and practical skills needed for public policy analysis.
- In the first year, MP2 students complete a series of required and elective courses.
- All MP2 students develop a common interdisciplinary and analytical foundation through the required courses, take specialized courses that provide them with strong analytical and quantitative skills, and select from a wide-variety of elective courses.
- In their second year, students further develop their research skills and utilize them in writing and defending a master's thesis.
